# PITCH NIGHT

Pitch Night was started with the idea of having a platform to share business and entrepreneurial ideas and get feedback and guidance from the E - Cell. 4 teams with startup ideas participated, and they made presentations to explain their ideas to the judges to work out a feasible business plan. All ideas were quizzed and feedback was provided to the students, taking their dreams of starting up to the next stage of action.

# WAYANAD TRIP

Home to ancient ruins, mysterious mountain caves, aborigine tribes, jungle trails and exotic wildlife, Kerala's Wayanad district is the perfect setting for a hundred great adventures! The students of SRM got a chance to relish this trek-feast as they set off on a 615 km journey to this miniature heaven. The team that set off to Wayanad consisted of 102 people in total, with 42 boys, 50 girls, 4 wardens, 2 managers and 4 core team members of the DSA.

# PONGAL

Pongal, the four-day-long harvest festival, is a way to thank Mother Nature and to celebrate the crops that give us grain. The Directorate of Student Affairs organized a Pongal celebration for the students, starting off by making Pongal for the occasion. Events such as rangoli making, pot breaking and tug-of-war were conducted, as the participants wore traditional attire to make the experience even more gleeful and fun for all.

# CLEAN DRIVE

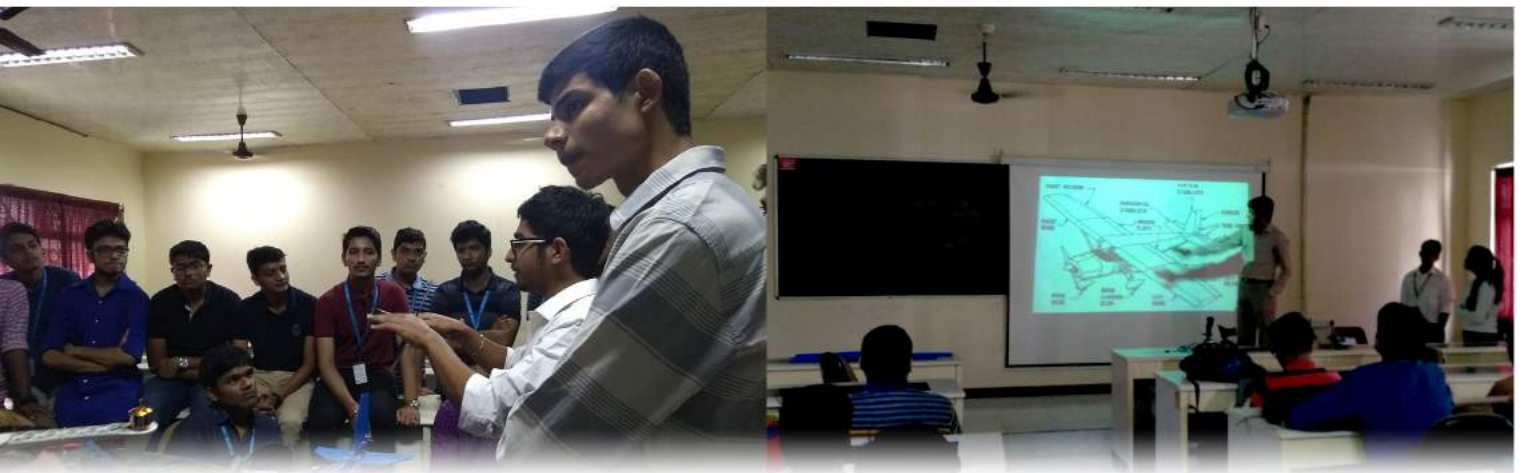

With the soothing weather and a motive of doing some good to the society while spreading awareness, the Environment Club planned a clean drive around the college campus. Keeping in mind the Swacch Bharat Abhiyan organized by our government, the group of 30 went around picking up litter and garbage from all corners of the campus while also spreading awareness about the movement, encouraging bystanders to participate in the activity.

# RC PILOTING

All of us have been interested in Remote Control Aircrafts in childhood, and the Aeromodelling Club of SRM decided to organize an RC Piloting event to spread knowledge about the same. With a presentation on the inner workings and components of the RC Aircraft to a simulator practice session organized to get hands on experience of piloting, the event was attended by 60 people eager to test their newfound knowledge as soon as possible.

# MUSICAL NIGHT

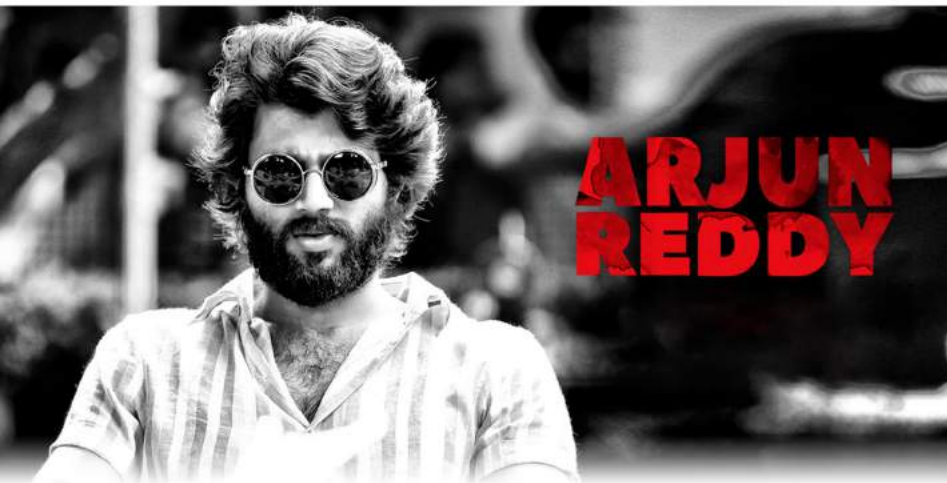

There is no better way to break the monotonous college life than with the music, and the SRM Music Club delivered on that front with the Musical Night. From Bollywood to English, all kinds of songs were performed on stage, with different genres of music added to the mix. The musical night kept the audience on their toes, and the show ended up leaving pleasant memories behind in the hearts of the students.

# MOVIE NIGHT

Movie night returns, and this time, it's Arjun Reddy on the screen! The 3 hour long movie is a well-known fan favourite, with a huge following from adults and teenagers alike. The movie was loved by all, and even though the original movie was made in telugu, students not used to telugu also showed up in huge numbers to watch the movie, irrespective of the language barrier. Viewers were seen leaving after the movie anxious for the next movie night to enjoy.

# IMPACT

On the eve of Republic Day, the Literary Club decided to use the importance of the day to bring about some thoughtful interaction and exchange of ideas in the form of a debate competition. Held on the Republic Day, the theme of the topics was placed around the issues plaguing India and its society. All the contestants were evaluated fairly by the judges, as the debate provoked out-of-the-box thinking with different perspectives from students.

## CELEBRATING INDIA

On the occasion of Republic Day, the Directorate of Student Affairs decided to spice up the standard celebration with the inclusion of a DJ Night. With the theme of 'Celebrating India', the night progressed with fancy songs and joyous hearts, lifting the spirits of the students as they danced to the beats in unison. As the students bid farewell to their friends, they were seen talking about the satisfaction of letting off some stress from college and wanting to attend more of such nights organized in the future.

## CRICKET 7'S

A cricket tournament called Cricket 7's was organized by the Directorate of Student Affairs. The event delivered the challenge beautifully, and both the organizers and the participants savoured the rush from the game - either by watching from the stands or playing it themselves. To all the participants, what mattered more was not the need to win, but the need to participate and put their skills to the test.
